

BRILLIANTS' CONVENT

(Senior Secondary School)

PITAMPURA, DELHI

The Founder believes in the dignity of an individual and
that we are

**Education is a better safeguard of library
than a standing army**

Our
Founder

Mr. D. S. Mann
Founder/Manager

Manager's Desk

I proudly feel the pleasure to share my views about the school through the School Magazine 'Dishayein 2018'. This school is a rare combination of students and teachers with high commitment, devotion, dedication and discipline in shaping the future of the students in a meaningful, cheerful and independent good character. The school administration and management strongly believes that the educational institutions must instil the moral values through Education. Hence, the school is making wholehearted efforts to guide and foster the students in a highly disciplined and well organized environment. I conclude my words by expressing gratitude and warm wishes to all the readers!

“Successful people ask better questions,
and as a result, they get better answers” – Tony Robbins

Mrs. Reeta Hashia
Principal

Principal's desk

I splendidly offer my sincere thanks to the Management of the school aspiring to fabricate ambience filled with a sense of responsibility, assiduous attitude and accomplishment for unwrapping the excellent denouement. I witnessed the encouragement of the Management along with all the faculty members of BCS for encompassing the need to comprehend and redefine education ,collaborate and create decision makers as well as Life Long Learners. I am honoured to pen down my feelings at this juncture of time, when BCS has outstretched its wings and incited to work with tenacity, scrupulous zeal leading towards procurement. I congratulate all the readers, wish them good luck and hope that you would also like this edition of 'Dishayein 2018'. With this I wish that almighty pour the showers of blessings on everyone.

"The only limit to our realization of tomorrow will be our doubts of today"

"There are many ways of going forward, but only one way of standing still"

"Always be yourself, express yourself, have faith in yourself, do not go out and look for a successful personality and duplicate it"

Editorial Board

**“Follow your passion,
be prepared to work hard and sacrifice ,
and above all, don't let anyone limit your dreams”**

We are highly privileged for the opportunity to work on the Editorial Board for another series of BCS Magazine 'DISHAYEIN 2018'. In this edition, we have tried earnestly, reflecting the excellence or achievement attained by BCS so far by imbibing inclusive learning environment that enables every student to excel to the fullest of their abilities. Every edition of 'DISHAYEIN' will have endless tales of success to narrate. We extend our gratitude towards the Management & Principal of BCS for making this publication of 'DISHAYEIN 2018' possible, and we also wish Success to all the Readers for their forth coming endeavours.

Warm Wishes

Head Boy/Head Girl

Avi Rathi - Head Boy (2018)

Shikha Mathur - Head Girl (2018)

**"Concern yourself more with accepting responsibility than assigning blame.
Let the possibility inspire you more than the obstacles discourage you."**

We feel privileged to be elected as a Head Boy & Head Girl of such a great Institution whose Motto is "Learn to serve" and where each and every Individual is taught to work with integrity, fraternity and in a comradeship where highest goals are attained through team work and determination. We wish to thank the Management and Principal of the school for providing such a platform to us where we can also join our hands leading towards the growth and development and raising the ladder of success for BCS. We take a pledge for fulfilling all the expectations, duties and responsibilities whole heartedly. We will strive to develop an inspiring and optimistic path for all the students to move ahead towards success.

Facilities of the school

Sports

Sports and physical education are necessary components of human development. Sports are conducted with a motive to develop good health, companionship and to have a spirit of friendly competition. Brilliance in sports enhances a person's sense of achievement, national pride and patriotism. With these thoughts Briliants' Convent emphasizes on sports and physical education by providing a big playground having different courts like Badminton, Basketball, Volleyball, Lawn Tennis and Cricket. Besides this, there are facilities for Chess, Carom Board, Table Tennis and Skating.

**'Hard work beats talent
when talent doesn't work hard'**

Chemistry Lab

Chemistry is a subject where practical carry more importance than the theory part. The students are given firsthand experience of various equations which involve reactions that can be understood only when they actually seen them happening. This is a place where students need to be cautious of various dangerous chemicals and keeping this in mind well qualified and experienced instructor is appointed to help the teacher during the conduct of experiments.

Science Labs

The school has spacious and well equipped laboratories for Physics, Chemistry and Biology. Students are imparted practical education under the watchful eyes of the instructors. The laboratory experience for students is conducted in a way which develops their interest and imparts a better understanding of the respective subjects.

Physics Lab

The Physics lab is fully equipped with apparatus to carry out experiments and investigatory projects related to mechanics, light, magnetism, electricity, heat and optics.

Biology Lab

Biology Lab stresses upon the connection of Biology to real life and emphasises the use of biological discoveries and innovation in everyday life. Equipment such as preserved specimens, microscopes for viewing prepared slides, models and charts etc. are provided to students for practical experience under the guidance of teachers.

Computer Labs

Keeping pace with the technological progress and the importance of Information Technology, Briliants' Convent has introduced Computer Aided Learning (CAL) in the school. Computer education has been integrated with the teaching of academic subjects. The School has two fully equipped Computer Labs for the Primary and Senior Sections.

Library

The school has a big, well stocked library which is well equipped with educational CDs, number of books on different subjects along with invaluable reference books which can be consulted in the Library itself. A good number of newspapers, magazines and journals, both national and international, are subscribed to and kept in the Reading Room of the Library. There are several special places where senior students can enjoy some serious study individually. An experienced and qualified librarian helps the students in selecting relevant reading material.

Yoga

The skills of yoga and meditation has become the routine work of all brilliantians which increases their concentration in whatever task they undertake and improve their life in all aspects.

Smart Board

BCS offers a wide array of easy to use educational tools that are proven to increase learning in students. Their products are easily integrated into any classroom and are designed to work with new technology as requirements change. Smart board products are easy to use and teachers can begin using them quickly and efficiently.

Transport

The school is having its own fleet of CNG buses with experienced drivers and responsible conductors to cater the conveyance need of its students. We pay utmost importance to the security and safety of the Students travelling by our transport and ensure a comfortable journey for our lovely students every day. Therefore, the students in every route are escorted by responsible teachers. Further every bus is enabled with GPS which helps us keep track of our busses all the time. The school has the best quality CNG busses with all the safety features. Special department is constituted for transport and in case of any enquiry about your child's whereabouts we are just a call away.

Other Facilities

Taekwondo

Taekwondo is a total learning activity. Lessons are tailored to your child's age and skill level. Your child begins by practicing basic patterns and forms, board breaking, kicking, blocking, striking, and punching. These fundamental skills increase your child's physical coordination, flexibility, balance, and mental acumen.

Taekwondo develops your child's athletic abilities and self-awareness, and improves the child's capabilities in self-defense.

Work Education

It is provided to develop sufficient psycho motor skills and confidence among students for entering the world of work. It further enables our children to discover their real interests and aptitude which would be helpful to them in selecting suitable courses of study and occupation later on.

Abacus

Abacus is an ancient calculating tool which is still widely used by merchants, traders and clerks in Asia, Africa and elsewhere. This skill is introduced to students in order to develop their interest towards mathematics and so far this method has been very successful.

Photo

Medical Facilities

A healthy mind needs a healthy body, so the school takes care of children by providing all necessary medical facilities in a Medical room. Besides this, our students are checked by eminent doctors twice a year.

Interdisciplinary Projects

(PBL) project based learning to describe the phenomena or events that are multidimensional, Solving complex problems , Proposing new interpretations and creating products so that every student is able to integrate multiple disciplines , accomplish them and is able to have a better understanding of interrelated disciplines.

Alumni

While our experiential curriculum has encouraged our students to explore their passion and interests far and wide, it is through membership that we bring the experiences of our alumni and energy back into the community. We encourage their participation to remain involved and active once more to perpetuate a good cycle.

Life Skill Education

It is provided to create learners who are equipped with accurate, objective and scientific knowledge, attitude and values which enhance like skills.

Olympiads/inter-school /zonal Competitions

We conduct Olympiads and Inter school / Zonal competitions from time to time to assess our students intellectual and creative abilities so that they have a renewed sense of self belief and self confidence and search for resources in diverse directions.

PTM/Open House

PTM/Open House are conducted in the school from time to time. This provides an opportunity to the parents to share their worries, to clear out their queries ,to understand the complete procedure of examination or to prepare strategies in achieving success for their wards goals and aspirations.

Scheme Of Examination & Promotion Rules

To assess whether the objectives of the scheme of studies are being adequately achieved, the school evolved a scheme of examination and promotion rules consistent with the concept of evaluation developed & duly recognized by CBSE.

Solar Panel

On grid solar plant is the sure shot way of saving electricity. On Grid Solar Plant connects directly to our electricity meter and supplies electricity to the grid. The electricity that the solar panels generate gets supplied to the grid and is counter by the Solar Net Meter which is installed by TATA Power DDL.

- Secures investments
- It increases access to energy
- Reduces carbon footprints
- Low maintenance cost
- Suitable for Indian climate

Fire Extinguishers

In order to maintain safety & security of all, BCS has installed Fire Extinguishers on each & every floor of the school to beat the unfavourable conditions at the time of emergency.

Refreshments

BCS provides small snacks & fruits on regular basis to the children of Pre-School & Pre-Primary to refresh the tiny tots & make them feel excited by providing small meals during their teaching & learning process.

Air Conditioner

BCS is equipped with Air Conditioners in all classrooms, computer labs, activity rooms and library etc, to ensure the most comfortable ambience for desirable teaching and learning outcomes.

●● Eco Week ●●

Let's Go Green to
Get Our Globe Clean

We believe, what Mahatma Gandhi once said, "The good man is the friend of all living things". Happy Earth Day!

Disaster Management

A presentation on Fire safety was organized at Brilliant's Convent School. Fire safety and Evacuation plan was shown to the students to create awareness amongst them about fire fighting techniques and the ways to respond swiftly in times of such emergency situations.

*"Life is all about
doing what you love
and loving what you do."*

Special Assemblies

"The morning sets the day and the assembly paves the way for our students to rejuvenate their spirits, remain rooted to the moral values and unleash their vitality."

Keeping this in mind, all the important national days and festivals are celebrated in the school through celebrations and special assemblies. The essence of the festival or the special day is portrayed through dance, music, mime, role play, and audio visual presentations

Co-curricular Activities

Co-curricular activities are a key component of the school. At Briliants' Convent, several motivating and inspiring activities were conducted to foster the love of art and create awareness amongst the young minds. These activities not only expand the educational experience but also help the students to make a wide and relevant knowledge to the subject taught in the curriculum.

Nanhi Duniya

Stars and Angels on Earth;
Smiling Brilliantians
having great time.

Photo

Celebrations

At Brilliants Convent every festival is celebrated with full Ethos and enthusiasm so as to make our brilliantians traditionally and culturally sound.

Sports Week

“Victory is remembered for at most two decades;
an act of good sportsmanship is remembered for a lifetime.”
– Simon Nguyen

To bring that competitive spirit in, the school organizes sports week. Students play with good sportsmanship and zeal to win.

●● Farewell ●●

“ You came and touched our hearts, Now you leave; it's hard to see.
But wish you happy days ahead, and a prosperous life indeed ”

Work hard, be kind
and amazing things will happen."
– Conan O'Brien.

Quiz & Workshop

Brilliants' Convent believes in producing skillfully talented students. Thus, from time to time school organizes workshops to varnish out the talent of students as well as teachers and guide them to become better every day, as it is very rightly said:-it's not what you do but how you do it.

Annual Exhibition

Explorer, experiment, thinkers, creators, authors and scientists. The event unanimously aimed at inculcating positive values in the hearts of the young pupils and leads us to create a holistic development of these brilliant thinkers

Art Section

Art is no longer a hidden talent. We explore it at Briliants' convent.

Picnic

Days out of school with their Peers and teachers are organized to refresh and rejuvenate the students. They learn a lot, try to implement the change and become better.
