Structural Stability Certificate

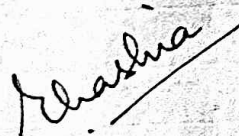

Name of Building :	Brilliant's Convent
Address:	West Enclave, Pitampura Delhi -110034
Year of construction:	2001 and 2015
Plot Area:	4000 sqm
Type of building:	Framed RCC Structure
Height of Building:	14.40 m
No. Of Building Block:	01
No. Of Storey:	04(Ground floor, First Floor, Second Floor, Third Floor)
Name of Owner:	New Star Educational Society

I had Visually inspected the above mentioned Educational Building premises on 06/05/2023 as per the request letter received from Mr. D. S. Mann, Manager of Brilliant's Convent on dated 04/05/2023 and examined various areas of the building from internal and external to ascertain the structure stability of the building.

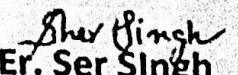

Along with compound wall all the structural elements like columns, beams, slabs & flooring at each floor were inspected by me. During the inspection I have not found any cracks , deflections, deformations & settlements in the columns, beams, slabs and foundation of the building and no deterioration in the building seen. The fire extinguisher and other fire safety measures also observed. The existing building is in good condition

I have also gone through the structural drawing and design available for the existing structure and it is observed that the building has been constructed safe as per prevailing National building codes/ BIS Codes. Hence it is certified that the said building structure is safe and sound for the building users and is safe during the earthquake occurrence.

This certificate is issued on the basis of documents, design and drawings of mention building provided by the client and visual inspection carried out by me. This certificate is valid for one year from the date of issue.
