Pitampura

ISSUE 20

July - September 2025

Brilliant Minds Crafting a Greener Tomorrow

The week began with a vibrant Poster Making Activity for Classes IV to VIII, where students expressed their concern for the environment through powerful messages promoting sustainability and biodiversity.

Our enthusiastic Brilliantians took their learning beyond the classroom by participating in a Cleanliness Drive, reinforcing the importance of maintaining a clean and healthy environment. With creativity, commitment, and collective action, the first two days of Eco Week truly reflected the spirit of responsible citizenship and environmental stewardship.

A Green Tribute: Planting Hope, Breathing Life

The school campus bloomed with fresh hope as our young ecowarriors planted saplings in the school premises. From tulsi to neem and aloe vera, each sapling planted symbolized a step towards a cleaner, greener, and healthier Earth.

Our Respected Principal Ma'am, Dr. Reeta Hashia, motivated the students with her inspiring words. She emphasized that planting a tree is a living tribute to our Mother Earth, and urged everyone to nurture at least one sapling with love and care.

Together, we are sowing the seeds of change — one tree at a time.

Let’s pledge to live in harmony with nature and keep the Earth smiling.

Empowering Today for a Sustainable Tomorrow

At Brilliants' Convent, Day 4 of Eco Week 2025 was dedicated to fostering awareness and empathy towards nature through hands-on experiences that left a lasting impact on young minds.

The day began with the heartwarming "Hug a Tree" campaign, where students symbolically embraced trees to express their love for nature and raise awareness about the urgent need to protect our green friends.

This was followed by the thoughtful Bird Feeder Drive, where our eco-champions installed bird feeders in school gardens, parks, and community areas- a beautiful gesture to support biodiversity and care for our feathered friends.

Adding a spark of creativity, students of Class IX took part in "Eco-in-a-Bottle", crafting miniature self-sustaining ecosystems inside jars. This engaging activity helped them explore concepts like sustainability, energy flow, and environmental balance — showing how even a tiny ecosystem needs awareness and care.

Every Step Counts for Mother Earth

Eco March 2025

The final day of Eco Week 2025 ended on a powerful and inspiring note, leaving a lasting message of environmental and social responsibility.

The day began with a spirited Eco Rally in the school vicinity, where our vibrant Brilliantians raised their voices for a cleaner, greener planet. With eye-catching placards and catchy slogans, the rally echoed the urgent need to adopt eco-friendly habits and preserve Mother Earth.

Even our little environmentalists from kindergarten joined the movement, taking out a colorful rally within the school premises. With their cheerful chants and creative props, they spread big messages with their little steps — showing that caring for the Earth starts young.

The highlight of the day was a thought-provoking Nukkad Natak performed by our students outside Mahavir Hospital, Pitampura, based on the theme “Swachh Bharat – Clean India, Green India.” With powerful dialogues and expressive performances, the play emphasized cleanliness, waste management, and civic sense — drawing the attention and appreciation of the local community.

Swachh Bharat Abhiyan

Delhi Ko Koode se Azadi Campaign

Inspired by the Swachh Bharat Abhiyan envisioned by Hon'ble Prime Minister and further ignited by the call of Hon'ble CM of Delhi, Smt. Rekha Gupta Ji, our passionate Brilliantians took active part in the Delhi Ko Koode Se Azadi campaign.

With brooms in hands and responsibility in hearts, our young changemakers carried out a cleanliness drive both within the school premises and outside the school.

From picking up litter to raising awareness, the students displayed commendable enthusiasm and commitment, proving that cleanliness begins at our doorstep.

Every step counts in building a cleaner, greener future—and we are proud to be a part of this wave of positive change.

हिंदी दिवस की धूम

हिन्दी दिवस

भाषा वो सेतु है जो संस्कृति को जोड़ती है।

हिंदी दिवस के उपलक्ष्य में हमारा विद्यालय एक सांस्कृतिक महोत्सव में बदल गया। छात्रों ने शब्दों की कला का प्रदर्शन करते हुए, स्लोगन लिखे, पोस्टर बनाएं,'पतंगों' और 'मुझे पंख लग जाएं तो विषयों पर मनमोहक कहानियाँ और कविताएँ सुनाईं, मुहावरों से संबंधित गीत लिखे , तो कुछ छात्रों ने श्लोक तथा दोहे भी लिखे।

लेकिन इस उत्सव का सबसे यादगार पल था नुक्कड़ नाटक "फल खाओ, सेहत बनाओ"। इस नाटक ने मनोरंजन के साथ-साथ, स्वस्थ जीवनशैली का महत्वपूर्ण संदेश भी दिया।

प्रधानाचार्या जी ने इस अवसर पर अपने विचार साझा करते हुए कहा कि हिंदी केवल एक भाषा नहीं, बल्कि हमारी आत्मा का प्रतिबिंब है। उन्होंने छात्रों से आग्रह किया कि वे इस भाषा को गर्व से अपनाएँ और इसकी समृद्ध विरासत को आगे बढ़ाएँ।
