- Section B will do the task on Sikkim.
- Section C will do the task on Lakshadweep Islands.
- A question based on NEP 2020 (remaining questions) is compulsory for all students.

ENGLISH

1. **“Create Your Own Menu”**: Imagine you are opening a new restaurant in Andaman and Nicobar Islands/Sikkim/Lakshadweep. Design a one-fold menu card on a **coloured A3 size sheet**, that includes all the famous dishes of that area. Paste related pictures to give it a realistic look. Categorize the items under the following headings such as **Munching Starters, Filling Main Course, Delicious Desserts and Dazzling Drinks**.
2. **“My Sunny Summer Diary”**: Make a **15-day diary** of the things you did during your summer holidays—this can include fun activities, hobbies, chores, books you read, outings, etc. Write 5–6 lines for the day in your diary. Use **A4 size sheets (folded in half)** and compile them to create a diary using spiral binding or punching with ribbon/thread. Add drawings, caricatures, and pictures to make your diary **colourful, attractive, and illustrative**.

हिंदी

1. अंडमान निकोबार/सिक्किम /लक्षद्वीप से संबंधित विभिन्न पर्यटन स्थलों के बारे में जानकारी एकत्रित करके एक कॉलाज बनाइए। (रंगीन A4 साइज शीट का इस्तेमाल करें)
2. भारत के किसी एक प्रसिद्ध त्योहार के बारे में हिंदी में एक अनुच्छेद लिखिए और बताइए कि वह क्यों मनाया जाता है।
3. अभी तक करवाए गए सारे कार्य की पुनरावृत्ति कीजिए।

MATHS

 Holiday Explorer Challenge!

Q1. Embark on a virtual journey to one of India’s beautiful destinations — the Andaman & Nicobar Islands/ Sikkim/ Lakshadweep. Dive into the adventure by completing the following tasks (to be done in scrapbook).

Discover the Destination

Explore and write a brief description of your chosen place — mention its name, culture, unique traditions, popular cuisines, and other interesting facts. Add colourful pictures that bring the place to life!

Tourist Treasures

Make a list of the must-visit tourist attractions in your chosen destination. Describe what makes each spot special and why it attracts travellers from around the world.

Travel Through Time: Tourism Trends

Gather data on how tourism has changed in your selected location over the past 10 years. Compare the visitor numbers and calculate the range by subtracting the smallest number of tourists from the largest. What do these trends tell you?

Q2: “Math in Motion – Your Creative Concept Model!”

✦ “From Numbers to Models – Let’s Build Math Together!”

This holiday, become a **Math Innovator** by creating a **project or working model** based on your roll number. Whether it's converting units, breaking down numbers, exploring fractions, or using Roman numerals — your mission is to **turn mathematical ideas into fun, colourful, and interactive projects**.

Roll Number-Wise Topics:

Roll Numbers 1–10: Units of Conversion Wizard

Build a **rotating wheel**, flip chart, or sliding scale model to show **unit conversions** for:

- Length (cm $\leftrightarrow$ m $\leftrightarrow$ km),
- Weight (g $\leftrightarrow$ kg),
- Capacity (ml $\leftrightarrow$ l).

Make it colourful and interactive so others can try conversions too!

Roll Numbers 11–20: Factor Tree Forest

Create a **3D factor tree model** for **at least 4 numbers** using chart paper or craft sticks.

Show how numbers break down into **prime factors** step-by-step. You can make it look like a real tree with leaves showing the prime numbers!

Roll Numbers 21–30: Fantastic Fractions Fun

Design a **model or foldable chart** to show **different types of fractions**:

- Proper, Improper, Mixed, Like, Unlike, Equivalent
Use real-life examples (pizza slices, chocolate bars, etc.) and make the model interactive with movable parts.

Roll Numbers 31 Onwards: Roman Numeral Family Tree

Collect the **ages of your family members** and represent each one using **Roman numerals**.

Cut out coloured paper strips or shapes and write the Roman numerals on them.

Arrange them creatively (like a family tree or a timeline). You can even decorate it with photos.

SCIENCE

1. Discover the Wild Wonders of “Andaman and Nicobar Islands / Sikkim /Lakshadweep”
